OUR POLICY:

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the county as a whole.

INCOME TAX BLANKS TO BE READY EARLY IN NEXT MONTH

Failure to Receive Blank Does Not Relieve Citizen of Penalties—The Blanks May Be Received at All Division Offices.

Robt. H. Lucas, Collector of Internal Revenue for the District of Kentucky, announces that Form 1040A, individual income tax return for net incomes of not more than \$5,000.00 for the calendar year 1922, will be available for distribution to the taxpayers on Tuesday, January 2nd, 1923, at the main office, Louisville, Kentucky, and the following division offices: Ashland, Covington, Lexington, Owensboro and Paducah.

Collector Lucas stated that forms would be mailed to each individual who filed a return for 1921. He also calls attention to the fact that failure to receive a form does not relieve the taxpayer of his obligation to file a return on time. The law does not require the Collector to supply forms without requisition, but they are mailed as a matter of convenience to the taxpayer. If a form is not received through the mails, application for such form should be made to the main office at Louisville, or one of the division offices. As the work of mailing forms will probably not be completed before January 15th, the taxpayer should not make requisition for form prior to that date.

Form 1040, Individual Income Tax Return for net incomes of more than \$5,000.00, also forms for corporations and partnerships for the calendar year 1922, have not yet been furnished to the Collector. Information regarding the release date of these forms will be given publicly when the forms are available.

WEDDING RESULTS IN A WEDDING.

Madisonville.—Miss Mattie Randall, 21, swore out a warrant on which W. H. Vanderbilt, 24, was brought here from Nashville, Tenn., but the prosecution was dropped when they were married at the court house. The young woman said that she and Vanderbilt came from Nashville a month ago to be married, but after their arrival here he had said he did not have enough money and had suggested that they wait until he could go back to Nashville and make financial arrangements. She swore out the warrant after waiting four weeks.

RESPECT FOR LAW IS URGED BY SPEAKERS

Prohibition and the Divorce Laws Have Attention of Circuit Judges and District Attorneys at Meet.

Louisville, Ky., Dec. 27.—Respect for the prohibition law in the same measure given to other laws was advocated by D. A. McCandless, Munfordville, Appellate Judge-elect, when he addressed a joint session of the Commonwealth Attorneys' Association of Kentucky and the Circuit Judges' Association this afternoon.

The speakers voiced an appeal for "clean justice, which will do their duty without fear or favor."

"Needed Reforms in the Criminal Law" was Judge McCandless' subject. He declared the criminal law of Kentucky needed few, if any, reforms, but stressed the importance of efficient administration and co-operation between judges and commonwealth attorneys.

There is no serious "divorce evil," but rather a "marriage evil," due to hasty and thoughtless marriages, Judge Lafon Allen, of the Chancery Division, Jefferson Circuit Court, told the meeting of the Kentucky Circuit Judges' Association earlier in the day. Judge Allen attributed the increase in divorce during the last quarter of a century not to an increase in unhappy marriages, but to a new point of view as to the proper action to take against such unhappiness.

Purebred livestock is gaining in numbers on Leslie county farms, County Agent T. H. Britton says. Four bred purebred gilts are among the latest additions to the list.

COMMENT

If the Maysville High School athletes are enabled to get a little self-confidence in basket ball, they may yet make a showing in athletics among the High Schools of the state. Taken as a whole the county high schools have developed some pretty strong teams and some of them have Maysville bested.

Right Reverend U. V. Darlington, Bishop of the M. E. Church, South, is to do the preaching at a revival soon to be held at the First M. E. Church, South. He will be heard by many of his old friends. Bishop Darlington is a former pastor of the "Little Brick Church" and his many local friends are pleased to know of his promotion to an office of eminence and power in his denomination.

A speaker at the annual meeting of the Commonwealth's attorney's association at Louisville yesterday said that Kentucky's criminal laws need no changing. This may be true, we are no lawyer, but it always looked strange to us that after twelve men had investigated a case and returned an indictment for a felony, one man (the commonwealth's attorney) would be given the power to reduce that felony charge to a misdemeanor punishable by a fine only.

Have you noticed how liberal your friends are with their cigars now that Christmas is passed?

Maysville has a rather close connection with the White House now. Several Maysville boys received as Christmas gifts puppets that trace their relationship to "Laddie Boy", the White House pet. It will be a sight the society stunts these aristocratic dogs will cut in a few months.

Although our Chamber of Commerce and our Farm Bureau have both passed into history, there is no reason why Mason county's reputation as the home of pure bred Rhode Island Red Poultry should be permitted to trail in the dust. We hope the Mason County Poultry Association will look after this.

Our Daily Poem

THE FUTURE.

'Tis well that the future is hid from our sight,
That we walk in the sunshine, nor dream of a cloud;
We cherish a flower, think not of the blight
And dream of the loom that may weave us a shroud.

It was good, it was kind, in the Wise
One above
To fling Destiny's veil o'er the face
Of our years.
So we see not the blow that shall strike at our love,
And expect not the beam that shall dry up our tears.

Though the cloud may be dark, there is sunshine beyond it;
Though the night may be long, yet the morning is near;
Though the vale may be deep, there is music around it,
And hope 'mid our sorrow, bright hope is still near.

Bowling Green.—E. T. Henderson, farmer, was walking home when he was struck by the machine of Dock Caskey, which swerved in passing another car. One wheel passed over him and he sustained serious injuries.

NOT DUE TO SEX ALONE

Maysville Women Have Learned The Cause of Many Mysterious Pains and Aches.

Many women have come to know that sex isn't the reason for all backaches, dizzy headaches and urinary disorders. Men have these troubles, too, and often they come from kidney weakness. To live simply, eat sparingly, take better care of one's self and to use Doan's Kidney Pills, is bound to help bad kidneys get better. There is no other remedy so well recommended by Maysville people. Ask your neighbor!

Mrs. R. L. Mattingly, 207, West Second street, Maysville, says: "I was in bad condition with my back and kidneys. I couldn't get my proper rest at night owing to the dull misery in my back. I was feeling so miserable I often had to let my housework go undone. I was dizzy by spells and suffered from rheumatic pains. I was so bad I couldn't walk without pushing a chair in front of me and my lower limbs were painful. My kidneys were in bad condition owing to their irregular action. Another of the family had used Doan's Kidney Pills successfully and that led me to and to Wood & Son's drug store for a couple of boxes. After using them I was all right. I have felt well since using Doan's and recommend them willingly."
